

EuroMabNet  
European Monoclonal Antibodies Network

## Scientific Programme

### 6<sup>th</sup> EuroMabNet meeting

4<sup>th</sup> and 5<sup>th</sup> of September

Saint Louis Hospital

Paris, France

Thursday 4th

#### Afternoon Session, Chair **Armand Bensussan**

- 14:00-14:15 Opening and welcome remarks: **Armand Bensussan and Laurence Michel**
- 14:15-15:00 **Invited speaker, Philippe Le Bouteiller:** CD160 a novel target for anti-angiogenic therapy
- 15:00-15:30 **Christian Schmitt:** Identification of a unique CD4+CD160+ T lymphocyte population in normal and CTCL skin biopsies
- 15:30-16:00 **Friedrich Koch-Nolte:** Modulating the function of cell surface enzymes and ion channels with monoclonal antibodies and nanobodies
- 16:00-16:30 Coffee break
- 16:30-17:00 **Vanda Juranic Lisnic:** Basic science and monoclonal antibody production: a match made in Rijeka
- 17:00-17:30 **Pablo Engel:** Production and characterization of monoclonal antibodies against cytomegalovirus
- 17:30-18:00 **Alexander Filatov:** Characterization of monoclonal antibodies using fluorescent Immunoprecipitation Assay (FIPA)
- 18:00-18:30 **Pierre Martineau:** Design and use of hyperstable human antibody libraries

**EuroMabNet Dinner**

## Friday 5th

### Morning Session, Chair [Demin Li](#)

- 9:30-10:00 **Fabio Malavasi:** Human myeloma as a model system for targeted and immunotherapeutic approaches.
- 10:00- 10:30 **Alison Banham:** Expression of N-terminally truncated FOXP1 isoforms in normal lymphoid tissues and diffuse large B-cell lymphoma
- 10:30-11:00 **Pierre Lafaye:** Anti-Abeta and anti-tau camel single-domain antibodies: a new tool for *in vivo* imaging and potential diagnosis of Alzheimer's disease
- 11:00-11:30 **Coffee break**
- 11:30-12:00 **Vladka Curin Serbec:** Our experience in licensing and patenting of monoclonal antibodies as diagnostic tools
- 12:00-12:30 **Giovanna Roncador:** Commercial Antibodies: The Good, Bad and Really Ugly
- 12:30-13:00 **Pablo Engel:** Recombinant antibodies and intellectual property protection
- 13:00-14:30 **Lunch**

### Afternoon Session, Chair [Giovanna Roncador](#), [Alison Banham](#) and [Pablo Engel](#)

- 14:30-17:00 EuroMAbNet round table: [Jackie Cordell](#) moderator
